# GENERAL INFORMATION

## NEEDHAM PARKS, PLAYGROUNDS & ATHLETIC FIELDS

Needham is experiencing an overwhelming number of requests for field space for many youth and adult sports, with many parks seeing an increase in the number of people, cars, and trash. In order to keep our children and parks safe, we ask that everyone visiting a Needham park or field follow these guidelines:

- **Pick up and dispose of trash properly.** Trash attracts bees and wild animals.
- **Trash is picked up by truck so barrels need to be located at entrances.** If barrels are full, please remove your trash from the site. Some school sites do not have barrels due to the number of students with allergies to bees.
- **Report any unsafe field conditions** immediately to a league supervisor or the Park and Recreation Department.
- **Park in designated areas.** If parking on the street is necessary, park in a manner that will allow emergency vehicles to access the fields and neighboring homes.  
*Parking in fire lanes, in crosswalks, and in front of fire hydrants is illegal and unsafe!*
- **Be considerate** of all park neighbors, leaving enough room for access to driveways, and do not park on their lawns.
